The document you sent is "DRAFT DELIBERATIVE. DO NOT CITE OR QUOTE." Just checking - is this correct version you want us to release?

Thanks!

We would like to send them directly to Anthony Edwards, who compiled the questions with Nancy Grantham initially. We also are working on a Fact Sheet with CDPHE and these answers will be included in that content. We don't anticipate distributing widely the Qs and As beyond the folks who were in the meeting with Mathy and Shaun when these came up.

Hi Joan,

We have been asked how Region 8 plans to use the responses to these Silverton questions. Do you have some insight on how they will be transmitted once released by OSWER? (i.e. sent to Anthony Edwards (how will he use them?); developing public Qs and As, etc.)

Thanks,  
Melissa

Any information about releasing the answers to these questions? Anthony Edwards just called and reiterated his need for answers to the questions posed at the 9/4 meeting. As he mentioned in his email, he needs them ASAP for several meetings with the Town Board and County Commissioners starting this evening.

If we can't release all the answers, is there a subset of them that we can release? I think that would be helpful.

Thanks,

Cynthia

Nancy and Cynthia,

This coming Tuesday and Wednesday I will be providing the Town and County an update on current developments as it relates to the EPA and the Gold King Spill. I am anticipating that the Town/County elected officials will have questions to include whether we have received answers to the questions originally submitted on August 31, 2015. Any assistance in providing us with what you have prepared to date would be appreciated.

Best,

Anthony Edwards
